ABOUT THE INSTITUTE

Madan Mohan Malviya Engineering College is one of the oldest technical institutions of our country. The college was established in 1962 and is currently imparting UG, PG & Doctoral programs in Engineering in addition to MBA & MCA courses as well. It is premier technical institution of the region and is responsible for producing top grade engineers with skill sets comparable with the best in the world. The college has also QIP center to offer PhD program in Civil Engineering, Electronics & Communication Engineering, Electrical Engineering and Mechanical Engineering Departments.

The Department of Electronics and Communication Engineering was started in the year 1973 and accredited by NBA, AICTE New Delhi. The department has well qualified devoted and dedicated team of teaching as well as supporting staff members.

The college is situated on state Highway Goarkhpur-Deoria Road about 9km from Gorakhpur railway station and bus station.

THEME OF CONFERENCE

National Conference on "Advances in Computer Communication and Embedded Systems (ACCES-2012)" will be a major forum for researchers and professionals to present their latest research, results and new ideas in all areas of Electronics and Communication Engineering. The conference of ACCES -2012 aims to provide an interactive platform for industry experts, academicians and scholars to exchange their up-to-date information and experiences on building challenges related to field of Electronics and Communication Engineering. All papers submitted to this conference shall be peer reviewed. Acceptance will be based on originality and contribution.

CALL FOR PAPER

Papers are invited for conference in the following areas but are not limited to:

- Data Communication Network
- Device Modelling and Circuit Design
- Digital Communication
